

Celebrating Bob Dylan's 80th Birthday  
Art Forum Hohenstein Castle  
July 1 to October 31, 2021

Bob Dylan is an outstanding artist and his lyrics and songs have been enjoyed for many decades now by audiences worldwide. Inspiring generations of young songwriters and musicians, he has shaped the development of popular music like no other. His creative power is widely recognised, most notably with the award of the Nobel Prize for Literature, and his work demonstrates extraordinary artistic versatility.

On the occasion of his 80th birthday, the Art Forum at Hohenstein Castle invites you to discover his artworks. This newly created cultural centre set in the historic castle set in the Coburg District in Upper Franconia is launching a promising series of exhibitions with national and international appeal and is set to become an attractive location for exhibitions on modern and contemporary art. At the same time, the Bob Dylan exhibition this summer sets a powerful signal for optimism as our cultural life reopens after the corona pandemic.

A big "thank you" goes to the Art Forum at Hohenstein Castle and everyone contributing to the success of the exhibition. To the visitors, I wish you a truly impressive art experience!
